Purpose:

To define the policy, practices, and philosophies of Huron Behavioral Health regarding sterilization, abortion, and the use of contraceptives for it's' consumers.

Scope:

This procedure applies to all employees (including full-time employees, part-time employees, contractual providers, volunteers, students, and/or interns), of Huron Behavioral Health (HBH) programs, both direct and contracted.

Information:

It is the policy of Huron Behavioral Health:

- Not to force any consumer to be reproductively sterilized, to use contraceptives, or to seek an abortion
- Not to deprive any consumer of their right to be reproductively sterilized, use contraceptives or seek an abortion, if they so desire
- Not to use reproductive sterilization, contraception or abortion as a prior condition for advancement, or discharge from a program
- To provide to consumers, their guardians, and parents of minor consumers, a notice of the availability of family planning and health information services in the community by referring them to their family physician or to appropriate community resources
- To provide (upon request) information and educational services or provide referral services to the family physician. Notice shall include a statement that receiving mental health services does not depend in any way on requesting or not requesting family planning services or health information

Complaint Process:

A consumer or another individual on behalf of a consumer has the right to file a complaint for a decision regarding sterilization, contraception or abortion. Complaints may be filed with HBH Recipient Rights Office.

Definitions/Acronyms:

HBH – Huron Behavioral Health

Forms:
