Purpose:

To define the policy and practice for providing a comprehensive evaluation of all new consumers.

Scope:

This procedure applies to all employees (including full-time and part-time employees), contract providers, volunteers, students, and/or interns, of Huron Behavioral Health (HBH) programs, both direct and contracted.

Information:

POLICY:

- It is the policy of Huron Behavioral Health that all consumers admitted to services will be given a comprehensive evaluation consistent with the Michigan Department of Health and Human Services (MDHHS) rules.
- All consumers accepted for admission to a hospital or center shall receive a comprehensive physical and mental examination within twenty-four (24) hours. Each consumer shall be periodically re-examined at least annually.

Procedure:

1. Consumers shall be inspected upon acceptance into the residential program by an agency nurse and/or physician and notation made in the clinical record of readily observable bruises, scars, marks, and possible fractures or other injuries.
2. Comprehensive examinations in a hospital or center shall include a physical examination completed by a licensed physician, as well as, mental and social assessments. This examination shall serve as the basis for development of a consumer's individualized Individual Plan of Service (IPOS). Assessments shall be thorough and consistent with professional standards.
 - a. For consumers admitted with an intellectual/developmental disability (I/DD), the mental assessment shall include psychological and educational evaluations and an assessment of adaptive behavior.
 - b. For consumers admitted with a mental illness, the mental examination shall include a history, psychological evaluation and a mental status assessment.
3. A report of an initial comprehensive examination shall include diagnosis of physical and mental conditions and a prescribed program for initial completion of a total individual plan of service.
4. Re-examination shall be part of the required periodic review.
5. Clinical results of assessments and re-assessments shall be kept in the consumer's case record in the Electronic Medical Record (EMR) system.

Complaint Process:

A consumer or another individual on behalf of a consumer has the right to file a complaint regarding a comprehensive examination. Complaints may be filed with HBH Recipient Rights Office.
