Purpose:

To define the practices, philosophies, and employee responsibilities regarding issues of Neglect and Abuse. Also, to establish a policy to safeguard consumers of mental health services from abuse, neglect, or mistreatment and to promote the safety, security, and well-being of consumers and ensuring the protection of individuals served.

Scope:

This procedure applies to all employees (including full-time and part-time employees), contract providers, volunteers, students, and/or interns, of Huron Behavioral Health (HBH) programs and all consumers served.

Information:

POLICY:

Any action of commission and/or omission which, by its nature, jeopardizes or impairs the rights, safety, and well-being, best interest and properties of consumers are prohibited. (Actions include, but are not limited to, those stated in the "Definitions" section below). Willful acts by employees which adversely affect the care and treatment of consumers are strictly prohibited. A responsive system of accountability for safeguarding consumers from abuse, neglect, and/or mistreatment will be assured. Instances of or knowledge of suspected abuse, neglect, or mistreatment are to be reported immediately.

For the purpose of this procedure, the term "employee" refers to all full-time, part-time, contract providers interns, or volunteers of Huron Behavioral Health.

For the purpose of this procedure, the term "agent of a provider" refers to any full-time, part-time employees, contract providers, volunteers, or interns employed by or associated with a provider/service that has a contractual relationship with HBH.

DEFINITIONS for this procedure:

Abuse: means non-accidental physical or emotional harm to a recipient, or sexual contact with or sexual penetration of a recipient as those terms are defined in section 520a of the Michigan penal code, 1931 PA 328, MCL 750.520a, that is committed by an employee or volunteer of the department, a community mental health services program, or a licensed hospital or by an employee or volunteer of a service provider under contract with the department, Community Mental Health Services Program (CMHSP), or licensed hospital.

Abuse - Class I: means a non-accidental act or provocation of another to act by an employee, volunteer, or agent of a provider that caused or contributed to the death, or sexual abuse of, or serious physical harm to a consumer.

Abuse - Class II: means any of the following:

- a non-accidental act or provocation of another to act by an employee, volunteer, or agent of a provider that caused or contributed to non-serious physical harm to a consumer.
- the use of unreasonable force on a consumer by an employee, volunteer, or agent of a provider with or without apparent harm.
- any action or provocation of another to act by an employee, volunteer, or agent of a provider that causes or contributes to emotional harm to a consumer.
- an action taken on behalf of a consumer by a provider who assumes the consumer is incompetent, despite the fact that a guardian has not been appointed, that results in substantial economic, material, or emotional harm to the consumer.
- exploitation of a consumer by an employee, volunteer, or an agent of a provider.

Abuse - Class III: means the use of language or other means of communication by an employee, volunteer, or agent of a provider to degrade, threaten, or sexually harass a consumer.

note: consumer to consumer physical altercations is not abuse under the definition. Consumer to consumer sexual abuse must be reported to the HBH Recipient Rights office, accompanied by an Incident Report (see also "[Unusual Incident Reporting Procedure](#)" RR2.37).

Abuse, Department of Human Services Protective Services: means the harm or threatened harm to a child or vulnerable adult's health or welfare caused by another person, including non-accidental physical or mental injury, sexual abuse, or maltreatment.

Acts of Commission: means physically striking or assaulting a consumer; speaking harshly or rudely to a consumer; ridiculing, coercing, or threatening a consumer.

Acts of Omission: means causing physical or emotional injuries to a consumer, such as being unattended because of unauthorized absence of staff.

Allegation: means a written or verbal statement made by an individual, which asserts their belief that a consumer has been abused or mistreated.

Assault: means an intentional, unlawful offer of physical injury to another by force; or force unlawfully directed towards another person, under circumstances which create well founded fear of imminent peril, coupled with apparent present ability to execute the attempt if not prevented.

Battery: means an unlawful beating or other wrongful physical violence or constraint inflicted on a human being without his/her consent. A willful and unlawful use of force or violence upon another person. The slightest touching of another, of his/her clothes or anything else attached to his/her person, if done in an insolent or angry manner constitutes battery.

Bodily Functions: means the usual action of any region or organ of the body.

Child Abuse: means harm or threatening harm to a child's (person under 18 years of age) health or welfare by a person responsible for that child's health or welfare which occurs through non-accidental physical or mental injury, sexual abuse, or maltreatment.

Child Neglect: means harm to a child's health or welfare by a person responsible for the child's health or welfare which occurs through negligent treatment, including the failure to provide adequate food, clothing, shelter or medical care.

Consumer/Recipient: means a person who receives mental health services from an entity, which is operated by, or under contract with Huron Behavioral Health's Board.

Criminal Abuse: means:

- an assault that is a violation or an attempt or conspiracy to commit a violation of sections 81-90 of the Michigan Penal Code, act No. 328 of the Public Acts of 1931, being sections 750.81 to 750.90 of the Michigan Compiled Laws. Criminal abuse does not include an assault or an assault and battery that is a violation of section 81 of Act No. 328 of the Public Acts of 1939, being section 750.81 of the Michigan Compiled Laws that is committed by a consumer against another consumer unless it results in serious physical injury.
- a criminal homicide that is a violation or an attempt or conspiracy to commit a violation of section 316, 317, or 321 of Act No. 328 of the Public Acts of 1931, being sections 750.316, 750.317 and 750.321 or the Michigan Compiled Laws.
- criminal sexual conduct that is a violation of an attempt or conspiracy to commit a violation of sections 520b to 520e or Act No. 328 of the Public Acts of 1931, being sections 750.520b to 750.520e and 750.520g of the Michigan Compiled laws.
- vulnerable adult abuse that is a violation or an attempt or conspiracy to commit a violation of section 145n of the Michigan Compiled Laws.
- child abuse that is a violation of an attempt or conspiracy to commit a violation of section 136b of Act No. 328 of the Public Acts of 1931, being section 750.136n of the Michigan Compiled Laws.

- death of a consumer
- serious injury of a consumer and incidents which could have caused serious injury; which includes serious unexplained injuries and serious injuries resulting from the application of physical management.

Unreasonable Force: means physical management or force that is applied by an employee, volunteer, or agent of a provider to a consumer in one or more of the following circumstances:

- i. there is no imminent risk of serious or non-serious physical harm to the consumer, staff or others.
- ii. the physical management used is not in compliance with techniques approved by the provider and the responsible mental health agency.
- iii. the physical management used is not in compliance with the emergency interventions authorized in the consumer's Individual Plan of Service (IPOS)
- iv. the physical management or force is used when other less restrictive measures were possible but not attempted immediately before the use of physical management or force.

Written Individual Plan of Service (IPOS): refers to the plan shall identify, at a minimum, all of the following:

Any restrictions or limitations of the consumer's rights. Such restrictions, limitations, or intrusive behavior treatment techniques shall be reviewed and approved by a formally constituted committee of mental health professionals with specific knowledge, training, and expertise in applied behavioral analysis. Any restriction or limitation shall be justified, time-limited, and clearly documented in the plan of service. Documentation shall be included that describes attempts that have been made to avoid such restrictions as well as what actions will be taken as part of the plan to ameliorate or eliminate the need for the restrictions in the future. (See also "[Behavior Treatment Plan Policy](#)" BM.1.01 and "[Behavior Treatment Plan Review Committee Procedure](#)" BM.2.01).

Procedure:

1. All employees and agents of providers are responsible for safeguarding consumers from abuse, neglect, and/or mistreatment. It is the assigned duty and legal responsibility of the employee who has knowledge of consumer abuse, neglect, or mistreatment to make or cause to be made a report to the local law enforcement agency, county, or city in which the violation is suspected to have occurred, and/or the Department of Human Services, (DHS) Protective Services using form DHS-3400, (county in which violation is alleged to have occurred) when appropriate. In all cases of abuse, neglect, and/or mistreatment, it is the assigned duty and responsibility of the employee who has knowledge or reasonable cause to suspect consumer abuse, neglect, and mistreatment to report it to their immediate supervisor and to the recipient rights office.
2. Allegations of abuse, neglect, or mistreatment shall be reported in accordance with recipient rights procedures, related to Huron Behavioral Health policy and state law. The reporting employee or agent of providers shall assure that an incident report form DCH2550 is filed with the Recipient Rights office.
3. Incidents that, according to the direct observation of the reporting person, result from accidental causes or from self-abuse shall be reported to the reporting person's immediate supervisor.
4. When a prompt and thorough initial review has determined that there is cause to believe or suspect that child abuse or neglect may have occurred, the reporting employee or agent of providers shall notify his/her supervisor, and Huron Behavioral Health's Office of Recipient Rights. In all cases of suspected criminal abuse or neglect (child or adult) the appropriate police agency and DHS shall also be notified.
5. During police investigation of alleged abuse:
 - a. direct care staff and contract service agency personnel shall give police full cooperation and support in order that they may complete their investigation.
 - b. the investigation convened by the Office of Recipient Rights shall be carried out in cooperation with the police.
6. Statements of alleged abuse shall neither be discounted because the consumer is receiving mental health services, nor shall such statements be used to deprive a consumer of their rights and benefits, unless the cause for such discounting is clearly documented in the consumer's case records.

7. Services provided by contract agencies and direct service sites shall comply with all recording and investigative requirements of Huron Behavioral Health's policies.
8. A person who intentionally fails to report a reasonable suspicion of abuse, or who knowingly makes a false report pursuant to Public Act 32 is guilty of a misdemeanor and civilly liable for damages proximately caused by the violation.
9. When there is reasonable cause to suspect that an employee or agent of a provider, either directly or as an accomplice, has been involved in abusing a consumer, the employee/agent of a provider will not continue in his/her present assignment during the investigation of allegations of abuse.
10. Assistance will be provided to appropriate individuals and/or agencies as necessary in the prosecution of criminal charges against those who have engaged in abuse, including the reporting of acts or actions, which may lead to prosecution. Huron Behavioral Health employees and agents of contract providers shall cooperate with authorized investigators from other agencies assigned to inquire into other violations which by law are within their jurisdiction, (e.g., Michigan Department of Civil Rights, Department of Human Services, Adult and Child Protective Services).

REPORTING/INVESTIGATION PROCEDURES:

1. All allegations or incidents of suspected abuse, neglect, or mistreatment toward a consumer must be reported to the employee's or agent of the provider's immediate supervisor/designee and to the Huron Behavioral Health Office of Recipient Rights.
2. Pursuant to Public Act 32, Section 723, when criminal abuse is suspected to have occurred, a verbal report shall be made immediately to the law enforcement agency (for the county or city in which it suspected to have occurred) or to the state police. Within seventy-two (72) hours after making the oral report to the appropriate law enforcement agency, the reporting person shall file a written report. The written report shall be filed with the law enforcement agency to which the oral report was made and the Huron Behavioral Health Office of Recipient Rights. If the person making the report is not the party making the initial allegation, (complainant), that person shall be provided a copy of the written report.
 - a. A report of suspected abuse is not required if the staff person has knowledge (must be clearly documented) that the incident has already been reported to the appropriate law enforcement agency and the Office of Recipient Rights, or in the instances where suspected abuse occurred more than one (1) year before the date on which it first became known to an individual otherwise required to make a report.
 - b. The written reports shall contain the name of the consumer, a description of the abuse, and other available information which might establish the cause and manner of the alleged abuse. This report becomes part of the consumer's case record.
 - c. The identity of the individual making the report and the report itself, is confidential and is disclosed only with the written consent of the individuals or by appropriate judicial process.
 - d. These reporting requirements do not relieve a staff person from the duty to report abuse under other applicable laws.
3. The reporting requirement is superseded by the patient-therapist (psychiatrist, psychologist, clinical/social worker, and licensed counselor) privilege recognized in the state of Michigan if the allegation does not involve:
 - a. Abuse by:
 - a mental health professional
 - a person employed by or under contract to Huron Behavioral Health
 - a person employed by an entity under contract to Huron Behavioral Health
 - b. Suspected abuse is alleged to have been committed in:
 - a residential setting
 - a Huron Behavioral Health program site

- the work site of a person employed by or under contract to Huron Behavioral Health
 - an entity under contract to Huron Behavioral Health
 - any place where a consumer is under the supervision of a person employed by or under contract to Huron Behavioral Health
4. Any allegations of abuse and/or neglect require an investigation by the Recipient Rights Office. Immediately upon receipt of notification of alleged abuse, neglect, or mistreatment, the Office of Recipient Rights shall begin the investigative process. The Office of Recipient Rights shall notify the Executive Director of the situation, keeping him/her apprised of the situation, the investigation and the findings. The Recipient Rights Officer will assure that appropriate procedures for notification to various departments in law enforcement and protective service agencies are completed.
5. The Office of Recipient Rights shall implement approved procedures for investigating complaints/allegations.
- a. If an allegation is substantiated, the Executive Director will take remedial, firm, and appropriate disciplinary action.
 - b. The Recipient Rights Officer shall maintain copies of reported abuse, neglect, and mistreatment.
 - c. The Recipient Rights Officer, on a quarterly basis, shall recount cumulative data detailing submitted reports of abuse, neglect and mistreatment to the Recipient Rights Advisory Committee.
 - d. The Recipient Rights Officer, on a monthly basis, shall recount cumulative data detailing submitted reports of abuse, neglect, and mistreatment to the Executive Director for his/her review and assessment.
