Purpose:

To define available community resources for employees to refer consumers to in the case of services needed by the consumer that may not be offered at Huron Behavioral Health.

Scope:

This procedure applies to all employees (including full-time and part-time employees), contract providers, volunteers, students, and/or interns of Huron Behavioral Health (HBH).

Information:

N/A

Procedure:

The following table is a list of possible resources. This list is not intended to be all-inclusive, but rather should be used as a reference tool. The employee should call the number listed to confirm the validity of the information before dispensing the information to the consumer and to also notify the HBH Controlled Documentation Manager if any corrections are needed.
